

TO: Board of Directors

FROM: Robert Hascall

SUBJECT: Professional Service Agreements and Contracts

DATE: August 16, 2022

TYPE: Action Required

The purpose of these service agreements and contracts is to provide appropriate educational support services for student(s) enrolled in the Stanwood-Camano School District and out-of-district placement for services not available within the district.

1. Washington State School for the Blind; Orientation and Mobility Services for students in the district. The position was posted and no qualified applicants were identified.
2. Gersh Academy; provides out-of-district placement for a student for services not available in the district.

**Recommendation:**

We recommend the board move to approve the service agreements and contracts with the services providers listed above for the 2022-23 school year.
